General Class Information:

U.S. Equestrian Federation rules are in force upon entrance to the show grounds, including rules pertaining to conduct, attire, correct equipment, and saddlery.

All questions not covered in these rules and regulations shall be decided by the show management whose decision shall be final.

Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be condition of entry that each exhibitor shall hold this horse show and the officials and employees of the show blameless for any loss or accident to his horse, employees, equipment, which may occur from sickness, fire or otherwise.

The management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit entries, and cancel award prizes without claims for damages; to cancel or combine unfilled classes, or to reschedule classes after due notice to exhibitors; to change rings or rotate judges.

Exhibitors are notified that any act of discourtesy or disobedience to the judges or officials, on the part of the owner, manager, rider, or groom shall disqualify the horse, and the owner shall forfeit his entry fee and other fees.

Show management reserves itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation.

No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform.

It is the tradition of the show that riders be correctly attired for the class in question, that attendants be neatly dressed, and the horses properly presented. Management may in its discretion bar any person from entering the ring if not suitable presented to appear before an audience.

Entry Fees: Send in entries as soon as possible to ensure entry to the show. To be accepted, entries must be complete, correct, signed, and received by the closing dates. Entries must be accompanied by full payment to be processed. Each competitor is responsible for supplying the show management with the correct and required association numbers of USEF and /or USDF for the horse, owner, rider, trainer, and coaches before the day(s) of the competition. An entry form is required for each horse/rider combination for each show. Entries must be signed by the owner/agent, the trainer, and by all riders/handlers, and for breed shows all assistant handlers. Juniors (under 18) may not sign the entry form. Exhibitors are responsible for their own errors and those of their agents in the preparation of entry blanks. The scores of competitors who fail to supply correct numbers may not count towards awards, including national awards. Proof of membership must be included with the entry form. Please provide the USEF/USDF Master Verification (www.eqverification.org) or the actual membership/registration cards or photocopies of them. Failure to provide proof of USEF and/or USDF membership will result in competitor being charged non-member fees. Members that are unable to produce the USDF membership cards/registrations or a photocopy will be asked to sign an affidavit and pay an affidavit fee. Packets/exhibitor numbers will not be released until all entries are complete.

Late Entries / SUPER LATE Entries / Post Entries/Changes are provided as a special service to competitors when available at the discretion of management. A late entry is any entry received after the published closing date even if the closing date is changed. Late entries will be assessed a late entry fee of \$25 (per show). Post entries will be allowed, if time is available, at an additional charge of \$15 plus normal class fee (per class added at the show). Time changes, not the fault of management, incur a \$20 additional fee for each change. A change of Rider or Horse in accordance with USEF Rule XV, Article 1506, will be accepted for an additional \$20 fee.

Proof of membership: If entering the show electronically, USEF and USDF registrations are verified electronically if valid, correct, and legible membership numbers are provided on the entry form. Copies of USEF and USDF memberships, horse recordings, and HIDs must be included with your entry if it is mailed.

Show Pass Fee: Effective 12-1-2022 any rider, handler, driver, or owner are limited to one Show Pass purchase annually (December 1-November 30). USEF Show Pass will be available for purchase by exhibitors on-line only. Competitions should not accept payment for show pass fees and therefore this fee should not appear on the entry blank. Individuals, including parents who are signing as trainer on behalf of a minor, who are participating as a trainer or coach are not eligible for a Show Pass and must obtain a Senior Competing membership to participate in a USEF-licensed competition.

No Shows: "A No show" will be considered a scratch for the rest of the show and time slots may be filled unless special prior arrangements are made with show management. Exhibitors enter with this understanding and agreement.

Stabling: WE WILL NOT HONOR STABLING REQUESTS NOT MADE IN ADVANCE AND ANY SPECIAL REQUEST! Stabling consists of permanent stalls 10x12 or temp stalls 10X10 complete with doors. Stalls do not include bedding. Overnight stalls available upon request and pre-arrangement with show secretary. Open paddocks also available by pre-arrangement with show secretary.

Riding Times: Unofficial, provisional ride times will be emailed. Riders will be notified by email when ride times are available. Adequate time intervals cannot be guaranteed when a rider has entered multiple horses or if a horse has more than one rider. The time ride schedule will be posted in a conspicuous place in the morning prior to the start of the competition.

Announcements: Exhibitors are responsible for presenting themselves to the correct ring at their designated time and accept full responsibility. No protest will be upheld, nor will any ride time changed or failure of the exhibitor to meet their responsibilities. Ring stewards will also make every effort to keep people informed and entering the ring in a timely fashion. Exhibitors are responsible for knowing the correct show time and their scheduled performance time, regardless of ring stewards.

Awards: Ribbons to 6 places for classes. Divisions: (JR/AA/Open) may be run concurrently as one class. Divisions will be pinned separately. Classes that do not specifically designate divisions on the class list are offered in Open division only. Management may split Open divisions into JR, AA, and/or Open divisions in classes with Open divisions only. No separate awards for GAIG Qualifying classes. Awards to be obtained from the show office upon posting of final class score. Ribbons not gathered from the show office prior to the close of the show will be forfeited.

Great American Insurance Group/USDF Regional Championship Qualifying: Q in class description means Official Qualifying Class for Great American Insurance Group/USDF Regional Championship Qualifying. Enter Q and pay additional \$20 USDF fee to have score entered as Great American Insurance Group/USDF Regional Championship Qualifying. No separate awards for entries competing in classes as Great American/USDF qualifying. Must have a USDF Participating or Business Membership and a USEF membership (Junior Active, Senior Active, Life, or Recorded Farm (with Active Farm Owner)). If the horse has more than one owner, at least one owner must have both active USEF membership and active USDF Participating or Business Membership and must be the owner of record with USEF and USDF. For a business or farm to be the valid owner under this requirement, it must be listed as an owner of the horse with both USEF and USDF.

Schooling: Lunging is allowed only in designated lunging areas. Mounted schooling is NOT permitted in the same area as lunging. Lunging is NOT permitted in the competition arenas.

Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturer's or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

(Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will

NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
