**General Class Information:**

**U.S. Equestrian Federation rules** are in force upon entrance to the show grounds, including rules pertaining to conduct, attire, correct equipment, and saddlery.

**All questions not covered in these rules and regulations shall be decided by the show management whose decision shall be final.**

**Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be condition of entry that each exhibitor shall hold this horse show and the officials and employees of the show blameless for any loss or accident to his horse, employees, equipment, which may occur from sickness, fire or otherwise.**

**The management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit entries, and cancel award prizes without claims for damages; to cancel or combine unfilled classes, or to reschedule classes after due notice to exhibitors; to change rings or rotate judges.**

**Exhibitors are notified that any act of discourtesy or disobedience to the judges or officials, on the part of the owner, manager, rider, or groom shall disqualify the horse, and the owner shall forfeit his entry fee and other fees.**

**Show management reserves itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation.**

**No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform.**

**It is the tradition of the show that riders be correctly attired for the class in question, that attendants be neatly dressed, and the horses properly presented. Management may in its discretion bar any person from entering the ring if not suitable presented to appear before an audience.**

**Entry Fees:** Send in entries as soon as possible to ensure entry to the show. To be accepted, entries must be complete, correct, signed, and received by the closing dates. Entries must be accompanied by full payment to be processed. Each competitor is responsible for supplying the show management with the correct and required association numbers of USEF and /or USDF for the horse, owner, rider, trainer, and coaches before the day(s) of the competition. An entry form is required for each horse/rider combination for each show. Entries must be signed by the owner/agent, the trainer, and by all riders/handlers, and for breed shows all assistant handlers. Juniors (under 18) may not sign the entry form. Exhibitors are responsible for their own errors and those of their agents in the preparation of entry blanks. The scores of competitors who fail to supply correct numbers may not count towards awards, including national awards. Proof of membership must be included with the entry form. Please provide the USEF/USDF Master Verification ([www.eqverification.org](http://www.eqverification.org)) or the actual membership/registration cards or photocopies of them. Failure to provide proof of USEF and/or USDF membership will result in competitor being charged non-member fees. Members that are unable to produce the USDF membership cards/registrations or a photocopy will be asked to sign an affidavit and pay an affidavit fee. Packets/exhibitor numbers will not be released until all entries are complete.

**Late Entries / SUPER LATE Entries / Post Entries/Changes** are provided as a special service to competitors when available at the discretion of management. A late entry is any entry received after the published closing date even if the closing date is changed. Late entries will be assessed a late entry fee of \$25 (per show). Post entries will be allowed, if time is available, at an additional charge of \$15 plus normal class fee (per class added at the show). Time changes, not the fault of management, incur a \$20 additional fee for each change. A change of Rider or Horse in accordance with USEF Rule XV, Article 1506, will be accepted for an additional \$20 fee.

**Proof of membership:** If entering the show electronically, USEF and USDF registrations are verified electronically if valid, correct, and legible membership numbers are provided on the entry form. Copies of USEF and USDF memberships, horse recordings, and HIDs must be included with your entry if it is mailed.

**Show Pass Fee:** Effective 12-1-2022 any rider, handler, driver, or owner are limited to one Show Pass purchase annually (December 1-November 30). USEF Show Pass will be available for purchase by exhibitors on-line only. Competitions should not accept payment for show pass fees and therefore this fee should not appear on the entry blank. Individuals, including parents who are signing as trainer on behalf of a minor, who are participating as a trainer or coach are not eligible for a Show Pass and must obtain a Senior Competing membership to participate in a USEF-licensed competition.

**No Shows:** "A No show" will be considered a scratch for the rest of the show and time slots may be filled unless special prior arrangements are made with show management. Exhibitors enter with this understanding and agreement.

**Stabling:** WE WILL NOT HONOR STABLING REQUESTS NOT MADE IN ADVANCE AND ANY SPECIAL REQUEST! Stabling consists of permanent stalls 10x12 or temp stalls 10X10 complete with doors. **Riding Times:** Unofficial, provisional ride times will be emailed and posted to West Wisconsin Dressage Association FB page. Riders will be notified by email when ride times are available. Adequate time intervals cannot be guaranteed when a rider has entered multiple horses or if a horse has more than one rider. The time ride schedule will be posted in a conspicuous place by noon the day before the competition.

**Announcements:** Exhibitors are responsible for presenting themselves to the correct ring at their designated time and accept full responsibility. No protest will be upheld, nor will any ride time changed or failure of the exhibitor to meet their responsibilities. Ring stewards will also make every effort to keep people informed and entering the ring in a timely fashion. Exhibitors are responsible for knowing the correct show time and their scheduled performance time, regardless of ring stewards.

**Awards:** Ribbons to 6 places for classes. Divisions: (JR/AA/Open) may be run concurrently as one class. Divisions will be pinned separately. Classes that do not specifically designate divisions on the class list are offered in Open division only. Management may split Open divisions into JR, AA, and/or Open divisions in classes with Open divisions only. No separate awards for GAIG Qualifying classes. ## **USDF Statement on Animal Welfare**

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
